

cumbria green build festival

useful information

This schedule provides a brief list of the events planned for this year's festival. For more information on all our events or to book your free place, see our website at www.cumbriagreenbuild.org.uk. No internet access? Call us on 01768 210 276.

Places are limited on all of our events. Guarantee your FREE place by booking online www.cumbriagreenbuild.org.uk

Festival Funding

These events are part of CAFs's Cumbria Green Build Training Programme, a partnership project with Impact Housing Association's Green Ways to Work project and part financed by the European Social Fund. To ensure the future of the festival, donations may be sought at events. Any support is appreciated. If you would like to sponsor an event, please contact CAFs.

Health & Safety

Our events are facilitated free of charge by householders, community committees and businesses. Please respect their buildings and adhere to any instructions or guidance you are given by the property owner, contractor or CAFs representative. Unless otherwise stated, refreshments and toilet facilities are not available.

Accessibility

The nature of our events mean you may be visiting a private home, a business, or even a building site! Please let us know if you have specific access requirements.

Lift Share

Where possible, please try to lift share via our page on www.freewheelers.co.uk/Cumbria_Green_Build_Festival

Cumbria Green Build Festival 2012

If you've developed or implemented sustainability solutions in a business, community organisation or even your own home and would like to be part of next year's Green Build Festival, please get in touch.

Thanks

Our thanks to the hosts, presenters, partner organisations and supporters who make the Cumbria Green Build Programme possible.

Disclaimer

CAFs has taken great care in the preparation of the Cumbria Green Build Festival programme. All information is correct at the time of going to press, but may be subject to change. The mention of third party products, services, companies and websites on the programme and is for information only and constitutes neither an endorsement nor a recommendation.

cumbria action for sustainability

Cumbria Action for Sustainability (CAFs) is a local charity which promotes sustainable development across Cumbria. We educate people, initiate and support local sustainable projects, and maintain a network of people working towards sustainability.

working to raise awareness of the opportunities available to create a more sustainable future in cumbria

CAFs has established itself as a Cumbrian specialist in delivering training and education on green build principles, building codes and low carbon development. Our reputation has been principally gained through our successful annual Cumbria Green Build Festival (now in its 6th year and including over 60 events every year), our involvement in the Sustainable Community Buildings Programme and more recently through the development of our Cumbria Green Build Professional Programme aimed at those involved in the building and construction industry.

For more information on the work of CAFs and the services it offers please contact us on 01768 210276 or by email office@cafs.org.uk.

Cumbria Action for Sustainability (CAFs)

Registered Office: The Office, Mardale Road, Penrith, CA11 9EH
01768 210 276 • office@cafs.org.uk • cumbriagreenbuild.org.uk
Registered Charity No: 1123155 • Company No: 6492907

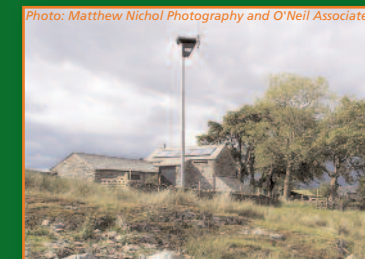

This project is part financed by the European Union. The European Social Fund (ESF) in England is investing in jobs and skills - mainstreaming sustainable development.

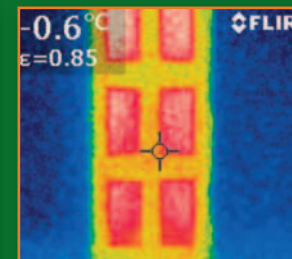

cumbria green build festival 2011

10th - 25th September

Festival Programme

Our events are open to everyone, but to make it easier for you to pick the events relevant to your situation, we've colour-coded the programme. Events on a **beige** line are visits to community-led projects, and those on a **green** line are relevant to farms or community scale renewables. For business-targeted events see the events on an **orange** line, and for specialist Continuing Professional Development (CPD) events for industry professionals, see events on a **blue** line.
