O'Neil & Petrie Limited

o'neil&petrie
architecture & design

O'Neil & Petrie Limited are an **RIBA** and **RIAS** chartered architectural practice based in Kendal, Cumbria, engaged on a range of projects throughout the North West of England and the Scottish Borders. They are a highly motivated and design orientated company.

Their aim is always to produce creative and innovative solutions that acknowledge both context and the client's brief.

They hold membership of both the **Green Register for Construction Professionals** and the **Association for Environment Conscious Building**

They pride themselves in maintaining links with local organisations, charities and public focus events such as the 'Made of Cumbria' seminar series.
