

Equipment Hire

Cumbria Action for Sustainability has two FLIR Thermal Imaging Cameras available to hire by those who have attended appropriate CAfS courses.

These cameras are suitable for looking at buildings or mechanical or electrical problems.

Our Sony Video camera comes complete with microphone, a tripod, and takes mini DV tapes (sorry, not supplied). This camera requires a firewire connection .

These cameras can all be hired from CAfS, subject to availability, for the following rates:

£10 per day/£50 per week voluntary group
£20 per day/£100 per week charity use
£50 per day /£200 per week business use

To take advantage of these special rates and for availability, email us office@cafs.org.uk or call 01768 210 276.

Terms & Conditions Apply. Insurance to cover the full value of the equipment must be held by the hirer.
